

REMARKS

The present filing is responsive to the Examiner's concerns noted in the Office Action.

Allowable Subject Matter

Applicant appreciates the Examiner's allowance of claims 8-12, 20-24 and 26.

Summary of the Response

New replacement formal drawings are being submitted. The specification has been amended to correct the Abstract. Claims 1-7, 13-19 and 25 have been previously canceled. New claims 27-33 have been added. Claims 8-12, 20-24 and 26-33 remain pending in this application. Reexamination and reconsideration of the present application as amended are respectfully requested.

New Drawings

Per request by the Examiner, the new drawings conform to the drawings originally submitted. No new matter has been introduced.

New Abstract

A new Abstract with less than 150 words is submitted.

New claims

New dependent claims 27 to 33 are submitted to round out the coverage of the present invention. Applicant submits that no substantive examination on the merits is required, by nature of the dependent nature of these new claims. The subject matter covered by these claims were originally covered by the earlier canceled claims (namely, directed to the "N" aspect recited in the earlier canceled claims).

CONCLUSION

The Examiner is invited to call the undersigned representative to discuss any outstanding issues that may not have been adequately addressed in this response.

Respectfully submitted,

Wen Liu
